### **What does it mean to be a Non-conformist?**

“You can always tell a non-conformist, because they look just like every other non-conformist.” The originality of your soul begs to be recognized, heard, and seen. When you are not yourself, you create confusion, misunderstanding, and struggle.

The originality of your soul begs to be recognized, heard, and seen. When you are not yourself, you create confusion, misunderstanding, and struggle.

Dr. Holmes says, “If you are bound by mental confusion caused by desires and conflicts that have entered your life, where did they come from? Such confusion is caused by opposing thoughts which enter your mentality and remain until you figure out the kind of thoughts that can set you free.

Dr. Jim says, Ralph Waldo Emerson tells us that “to free ourselves from the tyranny of such thoughts, we must call upon the originality of our spirit and exercise our spontaneity and instinct.

Dr. Holmes says, “... if subjective thought were a thing apart from us, if we did not have conscious access to it, we could not change it; but being the result of the way thought has worked, we can consciously change it. If this were not true, mental healing would be impossible. We can free ourselves from a feeling of approaching fatigue, by knowing that we have within us—always immediately available—an Infinite Strength. As we allow the thought of this to enter our inner consciousness, we feel strong, vital, and equal to any emergency. ‘Know ye not that ye are the temple of the living God?’ This power within you is the same that holds the planets in space. The power back of your word is perfect law and is fulfilled and returned to you as your perfect strength.”

### **I Accept the Fullness of My Own Divine Well-Being**

This affirmative thought is to be read aloud 2 times each day.

Within myself is that which is perfect, that which is complete, that which is divine; that which was never born and cannot die; that which lives, which is God—the Eternal Reality. Within myself is peace, poise, power, wholeness and happiness. All the power that there is and all the presence that there is, and all the life that there is, is God—the Living Spirit Almighty—and this Divine and Living Spirit is within me. It is Wholeness. It is never weary. It is never tired. It is Life. It is complete Peace. It is never afraid; It is never confused. It is always poised and peaceful. It is always in a state of perfect equilibrium.

This is the truth about myself; there is no other self. Every image of fear is erased from my mind, every sense of confusion leaves my thought. That Divine within me is Wholeness, and my mind reflects this Wholeness into every organ, every function, every action, every reaction of my physical being, renewing it after the Perfect Pattern—the Christ within me. Universal Substance reflects Itself, into my mind, into daily supply, so that everything I need each day is supplied.
